The First Presbyterian Church of Lake Wales has sent groups to Ynysybwl, Wales the past five years to share the Gospel of Jesus Christ with children and teens in that village. This summer we plan on sending another group to continue the work.

This year's Wales Mission Trip is **July 15-26, 2010**. The estimated cost of the trip is \$1700 dollars. (If that seems like a scary figure right now don't worry too much, we'll be getting

some support from our Missions committee as well as seeking support from others). **We have also been notified by World Witness that we will not be able to enter the UK next summer without a UK immigration visa.** This means each person will also be responsible for a \$200 visa application fee which is not included in the estimated cost above. There is an application process for the mission trip and an application has been enclosed with this letter. If you are interested in being a part of this Missions opportunity please complete the application and turn it in by January 17, 2010.

This is a very important trip for the participants, the church, and the kingdom of God. You should only apply if you truly feel God may be calling you to this work. There are some prerequisites you must meet before being considered for this trip as well. You must be at least sixteen years of age and have completed at least your junior year in high school. You must have participated at least once in Stay-At-Home Work Camp (with the Care Center) or a comparable local, States-side, or foreign mission trip.

Space is limited for this trip so, if you are interested, be sure and get your application in before the deadline. If you have any questions call Fox Rawlings at 863-638-1492.
